Results from last Saturday's graded scratch races at Casey Fields are inside, as are results from METEC on Tuesday evening and the Loop on Wednesday morning. Many thanks to the Wednesday riders at the Loop, who donated their entry fees/winnings to the Below the Belt cause – a total of \$110.

This Saturday we race at Dunlop Road in the club's annual Charity Day. Entry fees will again go to Below the Belt, and there will be a raffle as well. Please bring some extra cash for a few tickets.

The following week, on Saturday 23 March, Eastern hosts the VCV Open Handicap at Seymour in partnership with Croydon Cycleworks. Online entry via the VCV website (www.veterancycling.com.au) closes at midnight on Tuesday 19 March.

Don't forget the social/training ride this Sunday 17 March, departing 7.30 am from Croydon Cycleworks shop. There will be two or three groups, depending on numbers, with hot, mild and cool rides up in the hills. All three groups will arrive back in Croydon around 10.30 am for coffee.

And the Below the Belt Pedalthon in support of urogenital cancer research takes place this Sunday 17 March. Best of luck to all those riding. If you're not, it's not too late to donate. Go to <https://everydayhero.com.au/event/belowthebeltpedalthon-melbourne>, click **Sponsor a friend** and take it from there.

Dean Niclasen goes wide at the Loop on Wednesday. There's a great selection of Pete Morris's photos at <https://www.dropbox.com/sh/z8bnnhdp3wwb4tu/AChB4bv8RCBsk7w9bMnqD19a?dl=0>.

Be a part of finding a cure for cancer. Tour de Cure funds cancer research projects and the 'Fit for Life' educational program for Primary Schools.

I had Breast Cancer in 2016 and reaped the benefit of the years of research that has been made possible by public fund raising and philanthropic donations. For this and the care I received from every single professional, I am eternally grateful.

To mark the 3 year anniversary of my breast cancer diagnosis and treatment I am riding from Sydney to Geelong, inland, via the Blue Mountains for 1275 kilometres over 8 days. My Aim is to raise **\$20,000** over 6 months and I am currently sitting on **\$11,235**.
