**Insurance cover and other details for riders taking the trial rides:**

- Insurance cover for the rider commences 30 minutes prior to race time and ceases 15 minutes after finishing the race. This is to allow for appropriate warm up and cooling time.

- The maximum number of rides allowed under the 'trial rides' provision is two but it will be at the discretion of each state body to determine whether they wish to provide 'trial rides'.
- A second trial ride has to be taken within **four weeks** of the first ride, and must be taken in same club where the first trial ride was taken.
