

NOMINATION FOR LIFE MEMBERSHIP

Criteria

The following criteria should be addressed when nominating a candidate. It is helpful to include examples of how the nominee has gone above and beyond what could reasonably be expected of a member and why their contribution is worthy of recognition through life membership of the ECC. Life Membership may be conferred upon a Member who has rendered sustained outstanding service to the Club.

The key elements that will be taken into account in awarding Life Membership are:

- an ongoing commitment to the ECC over 10 years or more including committee positions held and/or other support responsibilities held within the club
- contributions to the ECC which have enhanced its standing within its membership and the wider community
- commitment which does not seek personal reward, and
- a high level of recognition from the ECC's membership of the nominee's work for the ECC over 10 years or more

Assessment

Any current member of ECC who wishes to have a person considered for nomination as a Life Member may complete and forward a submission to that effect in writing to the Secretary.

The Secretary will refer any application to the ECC Executive (set up annually at the AGM) for consideration and recommendation.

Nominations must be current i.e. must be made within a reasonable time frame after the nominee's last position or responsibility held and the nominee must be a current member.
